TISE The International Stock Exchange, formerly the Channel Islands Securities Exchange Authority Limited, a company incorporated in Guernsey.

Transferee A company or other fund to which the whole or part of the business or property of the Company is transferred or sold.

UK Means the United Kingdom of Great Britain and Northern Ireland.

Valuation Point The time at which Shares are valued, generally at 10am on each Dealing Day.

Important Information

This document is the Prospectus of Lloyds Gilt Fund Limited valid as at July 2017 prepared in accordance with the Collective Investment Funds (Recognized Funds) (Rules) (Jersey) Order 2003 of the Island of Jersey for the sale of participating redeemable preference shares of 1p each in the Company.

Please refer to the Glossary on page 1 for defined terms used in this Prospectus.

The Company is a recognized fund as defined in the Collective Investment Funds (Jersey) Law, 1988, as amended and permits have been granted by the Commission under this law to the Company, the Manager and the Custodian. The Commission is protected against liability arising from the discharge of its functions under this law.

This Prospectus has been prepared in accordance with the disclosure requirements of Articles 23(1), 23(4) and 23(5) of the AIFMD and Section 3 of the AIF Codes.

The consent of the Commission under the Control of Borrowing (Jersey) Order 1958, as amended, has been obtained for the issue of Shares. The Commission is protected by the Control of Borrowing (Jersey) Law 1947, as amended, against liability arising from the discharge of its functions under this law.

The Shares are listed on TISE and the Malta Stock Exchange.

This Prospectus includes particulars given in compliance with the Listing Rules of TISE for the purpose of giving information with regard to the Company. The Directors and the Manager, whose names appear on page 4, accept full responsibility for the information contained in this Prospectus and confirm, having made all reasonable enquiries, that to the best of their knowledge and belief there are no other facts the omission of which would make any statement contained within this Prospectus misleading.

Neither the admission of the Shares to TISE nor the approval of the Prospectus pursuant to the listing requirements of TISE shall constitute a warranty (i.e. a guarantee or statement of fact) or representation by TISE as to the competence of the service providers to or any other party connected with the Company, the adequacy and accuracy of information contained in the Prospectus or the suitability of the Company for investment or for any other purpose.

The information contained in this Prospectus is not an invitation to buy or an offer to sell securities or accept deposits or to provide any other products or services in any jurisdiction to any person to whom it is unlawful to make an invitation or offer. This Prospectus does not provide any investment advice. The Manager is unable to provide any advice in connection with investment in the Company.

Legislation or regulations in an investor's home jurisdiction may prohibit them from entering into a transaction or from receiving advice about this product. The Manager reserves the right to make final determination on whether an investor is eligible for any products or services.

Residents or nationals of certain jurisdictions may be subject to exchange controls and should seek independent advice before entering into any transactions.

Attention is drawn to the compulsory redemption provisions under the heading "Qualified Shareholders" on page 16.

Before purchasing Shares, investors should inform themselves as to (i) the legal requirements within the countries of their nationality, residence or domicile for such acquisition; (ii) any foreign exchange control requirement which they might encounter on acquisition or sale of Shares; and (iii) the income tax and other tax consequences which might be relevant to the acquisition, holding or disposal of Shares.

The Shares have not been registered under the 1933 Act and, except in a transaction which does not violate the 1933 Act cannot be directly or indirectly offered or sold to, or for the benefit of, a US person. To the extent that a US person becomes a shareholder, the Company will redeem any Shares held by that US person in accordance with the Articles. The Company has not been registered under the US Investment Company Act of 1940 in reliance upon the exemption afforded by Section 3 (c) (1) thereunder.

For these purposes a US person is as defined in Regulation S under the 1933 Act, namely: a resident of the United States, a partnership organised or existing in any state, territory or possession of the United States, a corporation organised under the laws of the United States or of any state, territory or possession thereof or areas subject to its jurisdiction, or any estate or trust other than an estate or trust income of which arises from sources outside the United States (which is not effectively connected with the conduct of a trade or business within the United States) and is not included in gross income for the purposes of computing United States federal income taxation. The attention of US persons is drawn to the compulsory redemption provisions on page 16 under the heading “Qualified Shareholders”.

Cooling off periods and cancellation rights (which provide a time period in which an investor can change their mind and cancel the contract), do not apply to an investment in this Company.

Investors should be aware that any compensation or protection schemes available in your country of residence or domicile do not apply to an investment in this Company.

As an investment in this company is not a bank deposit, the Jersey Bank Depositors Compensation Scheme does not apply.

However, limited protection is provided under the Collective Investment Funds (Recognized Funds) (Compensation for Investors) (Jersey) Regulations, 1988, as amended; a scheme of compensation for investors in the event that a Functionary has become bankrupt or is unable to satisfy civil liability claims in connection with that fund.

The maximum amount of compensation payable under the scheme to any one investor is £48,000 but is subject to the total amount of compensation in any one year under the scheme being limited to £5,000,000.

Please be aware that the affairs of the Company may have changed since the Date of this Prospectus.

The Directors of the Company and the Manager have taken all reasonable care to ensure that the facts stated within this Prospectus are true and accurate in all material respects and that there are no other material facts, the omission of which would make misleading any statement within this Prospectus whether of fact or opinion. The Manager and all of the Directors accept responsibility accordingly.

The Manager conducts its business in accordance with local legal and regulatory requirements, including anti-money laundering requirements. These require the Manager to disclose information to the appropriate authorities that would otherwise be confidential in circumstances where the Manager suspects the investor of benefiting from or engaging in criminal activity including tax fraud.

The Prospectus meets the provisions of The Distance Marketing of Consumer Financial Services Directive Instrument (2002/65/EC).

Further copies of this Prospectus and of the Company's most recent Annual Report and Accounts and any subsequent Interim Report and Accounts can be obtained free of charge from:

The Company

The Company was incorporated in Jersey on 6 October 1978. It is a public company with limited liability under the Companies Law.

The Company is a securities fund (a fund which invests in stocks and shares) and is the holder of a recognized fund certificate. It holds a permit as a collective investment fund under Article 7 of the Collective Investment Funds (Jersey) Law, 1988, as amended.

The Company's Shares are divided into two Classes. These are: Class "A" where dividends are paid quarterly and Class "B" where dividends are paid monthly.

The Shares are issued, sold, redeemed and repurchased and exchanges carried out between the two Classes by reference to the NAV of the relevant Shares.

As at 31 March 2017 the NAV was £43,354,505.

Class	Initial Issue	NAV per share at 31 March 2017
Class "A"	October 1978	£1.348
Class "B"	March 1988	£1.294

Source: Lloyds Investment Fund Managers Limited.

The latest prices and details of the past performance of the Classes are available on request from the Manager or from the website at international.lloydsbank.com/products-and-services/investments/funds

Investment Objective and Policy

The investment objective of the Company is to invest in sterling denominated Government and other public securities, principally those issued by the government of Great Britain and those which pay interest without deduction of tax to non residents of the country of the issuer.

The Company provides an opportunity for investors who require a good level of income to take advantage of a managed portfolio of British Government Securities ("gilts"). This level of income may be achieved partly by purchasing gilts at prices currently above their ultimate redemption values and could be at the expense of capital, for example in times of stable or rising interest rates.

The Company shall invest primarily in British Government securities in respect of which persons resident outside the United Kingdom may receive income not subject to United Kingdom taxation. In addition, investment may be made in other sterling bonds, issued or guaranteed by or on behalf of certain governments, local authorities or international organisations.

The Company may also hold cash or monies on current or deposit accounts with certain classes of institution for limited purposes.

A flexible investment policy will be pursued by investing in varying proportions of long, medium and short-dated bonds depending on economic conditions.

Permitted Investments and Investment Restrictions

General Limitations

The property of the Company will be invested with the aim of achieving its objective, subject to the restrictions below, including those set out in the Order.

Generally, the property of the Company must consist of transferable securities and shall comprise Government and other public securities of at least six different issues and not more than 30% in value of the property of the Company may consist of Government and other public securities of the same issue. Such securities are regarded for this purpose as not being of the same issue notwithstanding they are issued by the same person, if they are issued on different terms.

Government and other public securities are securities denominated in sterling creating or acknowledging indebtedness issued by or on behalf of the government of, or a local authority in, the UK or any other Member State of the European Union or an international organisation the members of which include the UK or any other Member State of the European Union, or the Governments of Australia, Canada, Japan, New Zealand, Switzerland and the United States of America.

The Company may invest more than 35% in value in securities issued by the Government of the United Kingdom.

These securities are traded on an eligible securities market or, in the case of new issues, will be traded on an eligible securities market. The eligible securities markets for the Company are the stockmarkets in the European Union on which securities admitted to official listing are traded. The eligible derivatives market is The London International Financial Futures and Options Exchange. The Manager may, after consultation with the Custodian, choose other markets which satisfy the criteria as eligible securities markets or eligible derivatives markets. Not more than 10% in aggregate in value of the Company's property shall consist of securities not officially listed or traded on an eligible market.

The Company may also hold cash or monies on current or deposit accounts with authorised institutions which can be withdrawn immediately without payment of a penalty exceeding more than seven days' interest calculated at ordinary commercial rates, which may reasonably be regarded as necessary to enable Shares to be redeemed or for the efficient management of the Company in accordance with its objective or for other purposes which may be reasonably regarded as ancillary to the objective of the Company.

The property of the Company may not be invested in units of funds which are managed by the Manager or by an associate of the Manager.

The Company may not sell securities short i.e. a security may not be sold unless it is part of the property of the Company or rights exist to acquire sufficient property to enable the obligation and any similar obligations to be discharged.

None of the money in the property of the Company may be used for lending purposes.

Hedging

Hedging transactions are permitted, provided the total of all sums paid, transferred or deposited by way of premium or initial margin attributable to hedging transactions does not exceed 10% of the value of the property of the Company and are covered transactions. Hedging instruments will be restricted to traded options and financial futures contracts traded on an eligible derivatives market and utilised to hedge against fluctuations in interest rates. Futures and options are contracts which give the buyer the right, or obligation, to purchase or sell an asset at a predetermined price on or before a future date. Such hedging transactions will only be entered into to reduce or eliminate risk and not for speculation.

Borrowing

Temporary borrowings from eligible institutions for cash management purposes are permitted and are repayable out of the property of the Company. All sums borrowed and outstanding at any one time must not amount in aggregate to a sum greater than the total of all sums which are to become part of the property of the Company within three calendar months of the borrowing and, if immediately repayable, would not require more than 10% of the value of the property of the Company to be used for repayment.

There is no intention to use borrowing for the purposes of gearing. Gearing is the borrowing of money in order to purchase assets.

Leveraging

The term "leverage" is defined under the AIFMD as any method by which the Manager increases the exposure of the Company whether through borrowing of cash or securities, or leverage embedded in derivative positions or by any other means. Further details are set out in this section in relation to hedging, cash borrowing and efficient portfolio management (Derivatives). Save as otherwise disclosed, the Manager will not be employing leverage for investment purposes.

To the extent that any leverage is employed, in respect of hedging transactions, temporary borrowing or efficient portfolio management, the Manager has, as at the Date of this Prospectus, set the maximum level of leverage which may be applied in respect of the Company as no more than 10% of the value of the property of the Company.

To the extent that there are any changes to the maximum level of leverage which the Manager may employ on behalf of the Company, the Manager shall disclose to the shareholders such information in the next periodic Interim or Annual Report and Accounts or by any other means of communication which the Manager may deem appropriate.

Derivatives

In the case of the Company, derivatives will only be used with the aim of reducing risk where they are consistent with existing investment objectives and policy. They will not be used independently of investment strategy for the underlying physical assets or for purely speculative purposes. Derivatives will only be used for efficient portfolio management. Derivatives will not be used for the purpose of gearing or leveraging or for purposes of producing, enhancing or generating income. No derivative can be traded on an over the counter basis, i.e. which are traded through a dealer network rather than a formal stock exchange. No uncovered positions, where any liability is not matched by corresponding physical assets, are allowed.

Risk Warnings

The risk warnings shown in this section are not intended to be an exhaustive list and there may be other considerations that should be taken into account in relation to an investment in the Company.

It should be remembered that the price of Shares and the income from them can go down as well as up. Shareholders might not get back the amount originally invested. Dividends, where payable, are not guaranteed and may fluctuate in money terms.

Past performance should not be seen as an indication of future performance.

Shareholders should consider holding the investment on a medium to long-term basis, being a minimum of five years but preferably ten years or more.

The interest rate on most government securities and bonds is fixed and will not increase in line with inflation.

Capital Risk

In order to achieve the desired rate of income, this may be at the expense of capital growth in the value of the Shares.

Market Price Risk

The Company invests principally in bonds.

The value of bonds is not fixed and may go down as well as up. This could be the result of a specific factor affecting the value of an individual bond or be caused by general market factors (such as interest rates, government policy or the health of the underlying economy) which could affect the entire portfolio.

Interest Rate Risk

The Company aims to receive income from investments. The income received by the Company is not fixed in nature and is derived from the securities held in the portfolio of the Company which may be varied from time to time in accordance with the Company's investment objective and policy.

Liquidity Risk

All of the Company's financial assets are considered by the Manager to ordinarily be readily realisable in accordance with the market practices of the exchange on which they are traded. On certain occasions this may not be possible such as at times of high volatility or where a stock exchange is closed or has suspended trading. The Manager manages the Company's cash to meet its liabilities. Where investments cannot be realised in time to meet any redemptions of Shares, the Company can borrow up to 10% of its value to ensure settlement of its liabilities.

Borrowing (or Leverage) Risk

Whilst there is no intention to use borrowings for the purpose of gearing, the greater the total borrowings of the Company relative to its investments in securities, the greater will be its risk of loss and possibility of gain due to market fluctuations in the values of its investments.

To the extent that there are any changes in the arrangements for managing the liquidity of the Company, the risk profile of the Company and/or the Company's and/or the Manager's risk management systems to manage those risks, these will be disclosed in the next Interim or Annual Report & Accounts (if applicable) or the Prospectus where required.

Counterparty Risk

Certain transactions that the Company enters into expose it to the risk that the counter party will not deliver the investment (purchase) or cash (sale) after the Company has fulfilled its responsibilities.

It is the policy of the Manager to buy and sell investments only through approved brokers.

The Custodian has also entered into a sub-custodian agreement with State Street Bank and Trust Company, London Branch. Under the terms of that sub-custodian agreement, the Sub-Custodian will hold certain assets of the Company on behalf of the Custodian. The assets of the Company will be held in compliance with applicable laws and specific provisions as agreed in the sub-custodian agreement between the Custodian and the Sub-Custodian. These will include requirements designed to protect the Company's assets in the event of insolvency or bankruptcy, but they do not guarantee this effect.

Cash balances held with the Sub-Custodian will not be segregated from the Sub-Custodian's own accounts or held on trust for the Custodian. This exposes investors to risk if the Sub-Custodian becomes insolvent, since the Custodian (who has entered into the contract with the Sub-Custodian) will rank as an unsecured creditor along with all other deposit holders in respect of any claim. Accordingly, there is no guarantee that the Custodian would ever be able to recover monies held in such cash accounts on the Company's behalf

Other Risks

Our charges may have to rise in the future which could affect the value of the investment.

The taxation basis of the Company may change, with retrospective effect.

Investors should be aware that the protections afforded by the regulatory system in their country of residence or domicile do not apply.

Other than in circumstances of a direct contractual relationship between a shareholder and a service provider to the Company, shareholders will generally have no direct rights against any such service provider. However there could be limited circumstances in which a shareholder may bring a claim against such service provider.

Contracting Parties

The Manager

The Manager is a company incorporated in Jersey on 10 July 1973 with limited liability and is subject to the provisions of the Companies Law, and will exist until dissolved by special resolution (as defined in the Companies Law). It has an issued share capital of 100,000 shares of £1 each, fully paid. The ultimate holding company of the Manager is Lloyds Banking Group plc, a company incorporated in Scotland.

The Company has entered into a Management Agreement (see page 25) with Lloyds Investment Fund Managers Limited which is also the Manager of Lloyds Investment Funds Limited, Lloydstrust Gilt Fund Limited, Lloyds Money Fund Limited and Lloyds Multi Strategy Fund Limited which are recognized funds.

The Manager is the holder of a permit under Article 7 of the Collective Investment Funds (Jersey) Law, 1988, as amended.

The Manager has the benefit of professional indemnity and directors' and officers' liabilities insurance coverage.

The Manager also maintains an appropriate level of "own funds" in order to cover the equivalent professional liability risks set out in the AIFMD.

Responsibilities of the Manager

The Manager is responsible for the risk management, investment management and administration of the Company. It will act as the Company's non-EU Alternative Investment Fund Manager for the purpose of the AIFMD.

The Manager may use the expertise of other areas of Lloyds Banking Group or other external parties in carrying out these responsibilities.

The Manager has appointed another Lloyds Banking Group company, Lloyds Corporate Services (Jersey) Limited to perform the functions of company secretary. The statutory records of the Company are maintained at the offices of the Company Secretary (see page 4).

The Investment Manager

The Manager has appointed Aberdeen Asset Investments Limited as the Investment Manager under the terms of an investment management agreement (see page 25).

The Investment Manager is an "authorised person" for the purposes of the Financial Services and Markets Act 2000 and is authorised and regulated by the Financial Conduct Authority in carrying on regulated activities relevant to the Company as described in this Prospectus.

The Investment Manager is not required to and does not hold a permit under the Collective Investment Funds (Jersey) Law, 1988, as amended.

The Company and the Manager have agreed to the delegation of certain investment management functions from the Manager to the Investment Manager. The powers of the Manager which have been delegated include the power to manage the investment and reinvestment of the Company's assets subject to the limitations to which the Manager is subject from time to time. The Investment Manager may sub-delegate its investment duties to other suitably qualified and authorised associates with the agreement of the Company and the Manager. The Manager retains ultimate responsibility for the investment management. The Manager and the Investment Manager have entered into a service agreement setting out certain agreed standards of service in the performance of the Investment Manager's functions.

The ultimate holding company of the Investment Manager is Aberdeen Asset Management PLC, a company incorporated in Scotland, whose registered address is 10 Queen's Terrace, Aberdeen, AB10 1YG. As at 31 December 2016, it held funds under management of £302.7 billion. (Source: Aberdeen Asset Management PLC). The principal activity of the Investment Manager is the management of the investment portfolios of certain collective investment funds, unit trusts, offshore funds, pension funds and insurance funds.

The Investment Manager is entitled to a fee for its services which is payable by the Manager out of its own fees. This fee is not paid on a commission basis but is based on the value of the assets under management.

The Custodian

The Company has entered into a Custodian Agreement with the Manager and the Custodian (see page 25). The Custodian is a company incorporated in Jersey on 28 April 1956 with limited liability under the Companies Law.

The ultimate holding company of the Custodian is Capita Plc, a company incorporated in England whose registered office is 71 Victoria Street, Westminster, London SW1H 0XA and which is listed on the London Stock Exchange.

The Custodian has an authorised, issued and fully paid up share capital of 53,975 shares divided into 50,000 shares of £1 each issued at par and 3,975 shares of £1 each issued at a price of £1,000.

The principal business activity of the Custodian is that of acting as custodian to collective investment funds. The Custodian is the holder of a permit under Article 7 of the Collective Investment Funds (Jersey) Law, 1988, as amended.

The Custodian has entered into a sub-custodian agreement with the Sub-Custodian. Under the terms of that sub-custodian agreement, the Sub-Custodian will hold certain assets of the Company on behalf of the Custodian.

There are no collateral or asset reuse arrangements between the Custodian and the Company.

Responsibilities of the Custodian

The duties of the Custodian are set out in full in the Custodian Agreement and include the following:

- taking all necessary steps, including coordinating the execution of documents, to ensure that acquisitions, disposals and loans properly made by the Manager are implemented;
- taking into its custody or placing under its control all of the property of the Company;
- collecting any income due to be paid to the Company;
- verifying the procedures for the creation and cancellation of Shares;
- preparing the Custodian's annual report to shareholders;
- performing all other duties which the Custodian is required by law to perform; and
- maintaining an appropriate level of supervision over the Sub-Custodian.

For the avoidance of doubt, the Custodian is not a "depository" in terms of the AIFMD and therefore the obligations and the strict liability rules to which depositories are bound in terms of the AIFMD are not applicable to the Custodian.

The Registrar

Responsibilities of the Registrar

The Custodian is ultimately responsible for maintaining the register of shareholders, but the Company and the Custodian have appointed the Manager under the terms of a registrar agreement to maintain the register on behalf of the Custodian and perform the duties of registrar to the Company.

Location of the Register

The register of shareholders in the Company is kept in Jersey and can be inspected, free of charge, at: Lloyds Investment Fund Managers Limited, PO Box 311, 11-12 Esplanade, St. Helier, Jersey JE4 8ZU.

The Paying Agent

Lloyds Bank International Limited acts as Paying Agent for the Company under the terms of a Paying Agency Agreement (see page 25).

Responsibilities of the Paying Agent

The Paying Agent is responsible for the remittance of all distributions and proceeds of redemptions to shareholders. Any fees due to the Paying Agent will be paid by the Manager out of its own fees.

The Paying Agent is in the same group of companies as the Manager. Its principal activity is the provision of financial services to expatriates, Channel Island and Isle of Man residents and international investors, including the processing of inbound and outbound payments.

The Auditors

The independent auditors of the Company are PriceWaterhouseCoopers CI LLP of 37 Esplanade, St. Helier, Jersey, Channel Islands JE1 4XA.

The Auditors are responsible for auditing and expressing an opinion in relation to the Company's Report and Accounts on at least an annual basis or certain other circumstances when requested to do so by the Manager.

Dividends and Equalisation Payments

Dividends will be paid out of the income available for distribution.

The quarterly 'A' Class dividends are payable on or before the 15th day of February, May, August and November to shareholders who have purchased Shares on or before the last dealing day of the previous December, March, June and September respectively.

The monthly 'B' Class dividends are payable on or before the 25th day of every month to shareholders who have purchased Shares on or before the last dealing day of the previous month.

When the dividend payment date is not a Dealing Day it will be paid on the previous Dealing Day.

Dividends will be paid to the shareholder's account nominated in Section 4 of the application form, or sent by post. All dividends are paid in sterling.

The Manager does not accept liability for non-delivery or late delivery of dividends.

The dividend payable on each Class is not to exceed the proportion of available income which the notional shares attributable to that Class bear to the total number of notional shares.

When payable, dividends will be payable out of net income (less expenditure) standing to the credit of the revenue account (including any revenue reserve) of the Company. The Company does not ordinarily intend to pay dividends out of any profits or gains arising from the realisation of securities or other assets held for investment, or out of any unrealised surplus arising from a revaluation of such securities or assets or monies in the nature of accretion to capital. An exception may occur to the extent necessary to enable the Company to pursue a full distribution policy as required by HMRC.

Included in the dealing prices of Shares, and so reflected as a capital sum in those prices, will be an income equalisation amount representing the value of income attributable to the Shares accrued since the last record date for dividends.

The Articles permit grouping of Shares for equalisation over a dividend period so that the total of such sums which is included in the dealing price of Shares over that period is averaged and, in the first dividend payment after the purchase of a Share, or in the dealing price if it is repurchased before a dividend is declared, there will be included as a capital sum an amount representing the average equalisation.

Any dividend unclaimed after a period of ten years from the date of declaration of such dividend will be forfeited by the shareholders and will revert to the respective Class.

Reinvestment of Dividends

Dividends may be reinvested in further Shares of the same Class by ticking the appropriate box on the application form except where the Shares have been acquired through the Regular Savings Plan, where reinvestment is automatic.

Dividends for reinvestment will be paid to the Manager who will reinvest them in the purchase of Shares on the dividend payment date at the dealing price, plus any applicable dilution levy or such other price as may from time to time be agreed. A statement of reinvestment will be sent to the shareholder.

The Manager does not currently levy an initial charge on dividends that are reinvested to purchase further Shares of the same Class.

Applying for and Redeeming Shares

Applications for Shares

Applications for Shares may normally be made between the hours of 9am and 5pm on any Dealing Day, and should be made on the Company's application form, a copy of which is contained at the rear of this Prospectus.

The application form, duly completed, should be sent to Lloyds Investment Fund Managers Limited, PO Box 311, 11-12 Esplanade, St. Helier, Jersey JE4 8ZU. Cheques or electronic transfers must be sent from an account held in the name of one or more of the Applicant(s).

Applications will not be acknowledged, but contract notes will normally be posted on the next business day following the Dealing Day on which the transaction is carried out except in the case of regular savers who save through the Regular Savings Plan (as described below) who will receive a half yearly statement. Share certificates are not issued.

Shares will be sold by the Manager to the Applicant(s) at the forward prices calculated at the Valuation Point plus the initial charge and any applicable dilution levy.

Applications received after the Valuation Point will be held over to the next Dealing Day and Shares will be allotted at the dealing price calculated at that day's Valuation Point. Instructions received by email are not accepted. The Manager may require cleared funds and may seek to confirm the identity of the Applicant(s) and the source of funds being invested before carrying out a sale. The Manager may, at its discretion, delay or refuse an application for Shares if it believes such application may involve either the Applicant(s), the Manager or the Company in a contravention of any law, rule or regulation.

The Manager is not liable for any loss the Applicant(s) may incur as a result of such delays or its refusal to accept an application.

Minimum Holdings

An application for Shares must be for a minimum of £5,000. The Minimum Holding does not apply to the Regular Savings Plan (see below), or where the Applicant(s) already holds Shares of that Class to the value of the Minimum Holding. Where the Applicant(s) already has Shares to the value of the Minimum Holding in the Class, then any new application for Shares must be for a minimum of £500.

The Minimum Holding may be changed from time to time and different amounts may be imposed for different Classes.

Regular Savings Plan

The Regular Savings Plan is available in sterling with a minimum investment of £100 per month for each Class selected. Deals carried out through the Regular Savings Plan will be carried out on the last business day of each month.

Investor's sterling bank accounts will be debited after the 20th of each month by Direct Debit. If an investor is investing in more than one Class, their account will be debited by a separate Direct Debit for each Class, although only one Direct Debit form needs to be completed. Dividends must be reinvested in the purchase of Shares of the same Class.

Shareholders wishing to stop investing through the Regular Savings Plan should inform the Manager in writing as well as cancelling their Direct Debit with the branch which holds the account. The Manager will then stop all further investments. The Shares acquired may be retained by the shareholder where payments equal to or greater than the Minimum Holding have been made. Otherwise they will be sold by the Manager and the proceeds remitted to the shareholder.

Redemptions of Shares

Where a shareholder wishes to redeem Shares, the Manager will repurchase Shares on any Dealing Day except where there is a suspension by the Company of redemptions of Shares or of repurchases by the Manager.

Although the Company is under an obligation, subject to the provisions of the Articles and to Jersey law, to redeem at the dealing price the Manager, as principal, will repurchase any Shares for which a request for redemption is received from a shareholder. In such a case the price will not be less than the dealing price subject to any applicable dilution levy (see section entitled "Dilution Levies" on page 14). Shares will be repurchased by the Manager at forward prices.

Redemption instructions received after the Valuation Point by whatever means will be held over to the next Dealing Day and Shares will be redeemed at the dealing price calculated at that day's Valuation Point. A redemption request may not be withdrawn except where there is a suspension by the Company of cancellations of Shares or of redemptions of Shares by the Manager.

To realise all or part of a holding, a shareholder to whom a certificate has been issued should complete and sign the form on the back of each share certificate and send the certificate to the Manager. In the case of joint shareholders, all joint holders should sign the form. Shareholders to whom no certificate has been issued may instruct the Manager to repurchase Shares by telephone or fax where the shareholders have provided details of a Nominated Bank Account either in Section 4 of the application form or at the time of issuing these instructions, subject to these instructions being suitably validated. In any other circumstances, redemption instructions will need to be in writing, signed by each shareholder if the shareholding is joint. Instructions received by email are not accepted. The Manager may, in certain circumstances, seek to confirm the validity of such instructions by contacting the shareholder.

Any amount payable to a shareholder following a request for redemption will normally be paid on the due settlement date to the bank account nominated. If this is not practical or no Nominated Bank Account details have been given, redemption proceeds will be paid by cheque. Payments will only be made to, or for the account of, the registered shareholder(s). Any charges in respect of carrying out these payments are deductible from the proceeds.

The due settlement date will be not later than the close of business on the fourth business day following the later of the date of the next Valuation Point occurring after receipt by the Manager of the request to redeem the Shares and the date of receipt by the Manager of all necessary documentation for the Shares to be redeemed. The Manager may, at its discretion, delay or refuse payment if it believes such payment may not be practicable or might involve or cause either the shareholder, the Manager or the Company to breach any law, rule or regulation. The Manager is not liable for any loss the shareholder may incur as a result of such delays.

There is no minimum number of Shares, or minimum value of Shares, which may be redeemed in any one transaction, unless the redemption of part only of the shareholding would, if carried out, leave the shareholder holding less than the Minimum Holding.

Large Deals

Where a redemption is a Large Deal, the Manager is entitled to offer the requisite proportion of the Company's net assets in settlement. In such circumstances, the shareholder may serve a notice on the Manager requiring the Manager to arrange for the sale of such net assets and the payment of the net proceeds.

Other than the application of any applicable dilution levy, the Manager does not levy any charges for redemptions of Shares.

As Shares are priced on a single pricing basis, the costs associated with realising assets to meet a Large Deal can lead to a dilution of the value for the remaining shareholders. Where a fund calculates prices on a single pricing basis, a dilution levy can be applied to the redemption proceeds. Details of the Company's policy on the application of dilution levies to Large Deals is set out below.

Dilution Levies

A dilution levy is a mechanism to protect existing shareholders' and potential shareholders' interests. High levels of buying and selling by shareholders may lead to an increase in the underlying dealing costs borne by the Company. The effect of this is that the value of the Company may be reduced (or diluted). In order to prevent this dilution effect, the Manager has the discretion to charge a dilution levy on the creation, sale, redemption or repurchase of Shares (including conversions between different Classes of Share). When charged, the dilution levy will be paid into the Company in order to mitigate the effect of the dilution.

For example the Manager may impose a dilution levy on a Company in circumstances where:

- a Class experiences large levels of net purchases (i.e. purchases less redemptions) relative to its size;
- a Class experiences large levels of net redemptions (i.e. redemptions less purchases) relative to its size;
- the Manager believes that the imposition of a dilution levy is required to safeguard the interests of shareholders and potential shareholders.

For these purposes the term "large levels" of net purchases or net redemptions occurs when the net dealing position would create a dilution levy of more than 1 basis point (0.01%) of the NAV of a Class or £5,000, whichever is the lower.

When applied the dilution levy will be added to the purchase cost or deducted from the redemption proceeds, as appropriate. The Manager does not currently charge a dilution levy on the purchase costs or redemption proceeds of a deal where the resultant charge on an individual deal is less than £7,500. This may change and shareholders should contact the Manager for the latest applicable charge.

The Manager is also entitled to impose a dilution levy on a Large Deal.

As dilution is directly related to the inflows and outflows of monies from the Company, it is not possible to predict accurately whether dilution will occur at any future point in time. In deciding whether to impose a dilution levy the Manager will consider a number of factors including the size of the transaction relative to the overall value of the Company, the level of transaction costs within that particular market, the liquidity of the underlying investments within the Company, the amount of investments to be bought/sold and the likely time that this will take, the likelihood of an adverse impact on the value of investments as a result of the accelerated rate of disposal/acquisition and the length of time for which the Shares in question were held.

On the occasions when a dilution levy is not applied there could be an adverse impact on the total assets of the Company, as the Company will have to meet the costs of dealing in the underlying assets.

The dilution levy for the Company may vary over time because the dilution levy will be calculated by reference to the costs of dealing in the underlying investments, including any dealing spreads, and these can vary with market conditions. A typical dilution levy can range from 0.01% to 1% of the Share price.

Transfers

The Company may decline to register a transfer of Shares where:

- such transfer would be in breach of the Minimum Holding restrictions.
- the instrument of transfer has not been accompanied by such other evidence as the Manager may reasonably require to show the right of the transferor to make the transfer.
- any transfer would result in the names of more than four shareholders being jointly registered.
- the instrument of transfer relates to more than one class of Shares.

Prices and Valuations

Issues and redemptions of Shares may only be carried out on Dealing Days. Shares may be issued and redeemed only pursuant to creation and cancellation applications made by the Manager to the Custodian within two hours of the Valuation Point. For the purpose of determining the dealing prices applicable on Dealing Days, the assets of the Company will generally be valued on a mid market basis as at the Valuation Point.

The Company maintains a valuation policy that complies with the AIFMD and the Order, which provides for a proper and independent valuation of the property of the Company and a determination of the Share price. The Manager ensures that the valuation task is functionally independent from the portfolio management, and its remuneration policy and other measures mitigate conflicts of interest and that undue influence upon the employees involved is prevented.

The price of each Share of any Class will be calculated by reference to the proportion of the NAV of the Company attributable to a Share of that Class by:

- taking the proportion of the NAV attributable to the Shares of the Class concerned at the Valuation Point; and
- dividing the result by the number of Shares of the relevant Class in issue immediately before the Valuation Point concerned.

The Manager has adopted a policy for valuing any illiquid assets which may be held by the Company. Exposure to such assets (if any) will be disclosed in the periodic reports and accounts.

The Order contains detailed provisions for calculating the value of the property of the Company by categories of assets and liabilities. Reference should be made to the Order for a detailed understanding of such provisions.

The dealing prices per Share of each Class are determined in accordance with the Order.

The Manager will not sell or repurchase Shares at a price which is higher than the dealing price plus the initial charge plus any applicable dilution levy (in the case of a sale) or lower than the dealing price less any applicable dilution levy (in the case of a repurchase). The Manager is not under an obligation to account to the Company or the shareholders for any profits made by the Manager from the sale, repurchase or exchange of Shares.

The dealing prices will be calculated to at least four significant figures.

The dealing price last notified to the Custodian is available on request from the Manager.

Publication of Prices

Dealing prices of Shares are published periodically in appropriate newspapers. Prices quoted in this way will be the prices calculated on the previous Dealing Day and will not therefore be the prices at which transactions will be carried out on the day such prices are published. The date at which the prices were calculated will be included in the publication.

Please note that the Manager does not accept responsibility for the accuracy of the information published in newspapers where the Manager has provided the correct information.

Prices are also published and updated daily on the website international.lloydsbank.com/products-and-services/investments/funds/

Suspensions

On receipt of creation or cancellation applications from the Manager, the Company or the Custodian may give notice to the Manager refusing to create or cancel Shares or to consent to such a creation or cancellation if in the case of the Company, the Directors are, or if in the case of the Custodian, the Custodian is of the opinion that it is not in the interests of the Applicants or shareholders for the Shares to be issued or redeemed.

The Manager may with the prior agreement of the Custodian and the Directors, or will if the Custodian or the Directors of the Company with the prior agreement of the Custodian so requires or require, at any time for a period not exceeding 28 days suspend the sale and repurchase of Shares if:

- a. the Manager is of the opinion that there is good and sufficient reason to do so having regard to the interests of the shareholders of that Class; or
- b. the Custodian is, or the Directors are, of that same opinion in the case of any requirement by it or them.

The circumstances under which a suspension of dealing may occur include, for example, those where the Manager cannot reasonably ascertain the value of assets or realise the assets of the Company, or the closure or suspension of dealing on a relevant stock exchange.

The first sale and repurchase of Shares following a period of suspension will take place on the first Dealing Day following the end of such period at prices calculated by reference to the next Valuation Point.

Qualified Shareholders

The Company has the power to require any shareholder who holds Shares in breach of any law or requirement of any country or governmental authority or who is disqualified from holding Shares so as to cause the Company or any shareholder a financial or tax disadvantage to transfer such Shares, failing which the Company may compulsorily redeem such Shares and pay the proceeds thereof to such shareholder.

Death of a Shareholder

Sole shareholders should be aware that upon their death the executors/administrators of their estate will, in certain circumstances, be required to take out a Grant of Probate or Letters of Administration in Jersey in order for the investment to be released. Other than personal application by the appointed executor/administrator, they can only be obtained through a Jersey advocate or solicitor or an authorised Jersey trust company which will be at a charge.

The Manager may, at its discretion, waive the requirement for Jersey Grant of Probate or Letters of Administration on receipt of satisfactory documentary or other information where:

- the shareholder dies domiciled in the United Kingdom, Guernsey, Isle of Man or other such country as the Manager may decide from time to time and the aggregate value of the deceased's Jersey Estate held by the Company does not exceed £10,000 (or other amount prescribed from time to time); or
- the shareholder dies domiciled in a country other than Jersey, the United Kingdom, Guernsey, the Isle of Man or other such country as the Manager may decide from time to time and the aggregate value of the deceased's Jersey Estate held by the Company does not exceed £5,000 (or other amount prescribed from time to time);

The Manager may require the receiving party to provide certain confirmations and guarantees for such payment to be made.

As at the Date of this Prospectus, Stamp Duty is levied according to the size of the Jersey Estate where:

- the estate does not exceed £10,000 in value, no sum would be payable;
- the estate does not exceed £100,000 in value, the sum currently payable would be £50 per £10,000 or part thereof;
- the estate is above £100,000 in value, the sum currently payable would be £500 for the first £100,000 and thereafter £75 per £10,000 or part thereof.

The maximum Stamp Duty payable is £100,000. The above figures are subject to change.

Joint Holdings

In the case of joint shareholdings, instructions authorised by all of the shareholders and, where necessary, suitably validated, will be required before the Manager may issue repayment to any bank account (which must be in the name of one or more of the shareholders) not previously nominated on the application form. A signed written instruction from all shareholders will be required before any changes in registration details are carried out.

On the death of a joint shareholder, the shareholding will pass to the remaining joint shareholder(s) on production of the necessary documentation.

Exchange of Participating Shares

Shareholders may apply to the Manager on any Dealing Day to exchange Shares of one Class by reference to their dealing price less any applicable dilution levy for those of another Class by reference to their dealing price plus any applicable dilution levy and excluding any initial charge. Exchanges are subject to the Minimum Holding restrictions.

An application for an exchange must be for Shares having a minimum value of £100 and the resultant shareholdings must meet the Minimum Holding requirements for the respective Classes.

In some jurisdictions, including the UK, an exchange of Shares of one Class for Shares of another Class may be a disposal of Shares of the original Class for the purposes of taxation.

In no circumstances will a shareholder who exchanges or applies to exchange Shares of one Class for Shares of another Class be entitled to withdraw from or cancel the transaction except where there is a suspension of sale or repurchase of Shares of the relevant Classes.

Fees and Charges

Shareholder Charges

These are the charges that a shareholder will pay on their investment and are shown in the table below.

Initial Charge

The Manager currently levies an initial charge of up to 3.5% of the amount available for investment. The initial charge may be increased to an amount not exceeding 5% of the dealing price but the Manager will give shareholders at least 90 days' written notice of any increase.

The initial charge is payable by the shareholder and is in addition to the cost of the Shares. The initial charge is also payable to the Manager for deals carried out under the Regular Savings Plan but is not currently charged for the reinvestment of any dividends that may be paid.

Total Expense Ratio

The Total Expense Ratio is the total expenses that are charged to each Class. It is not paid directly by the shareholder but is reflected in the prices of each Share. It includes the Annual Management Charge, Custodian Fee, Registrar Fees, Directors' Fees and all other permitted operating expenses.

Shareholder Charges		
Class	Initial Charge (%)	Total Expense Ratio* (%)
Class 'A' Quarterly	3.5	1.20
Class 'B' Monthly	3.5	1.20

*Source: Lloyds Gilt Fund Limited Annual Report and Accounts as at 30 September 2016.

Company Fees

These are the fees and expenses that the Company will pay out of each Class. These are included in the calculation of the Total Expense Ratio.

Management and Registrar Fees

The Manager will receive a fee (the Annual Management Charge) for its services. This is taken out of the Company (accrued daily and paid monthly) and is equal to an annual rate of 0.85% of the mid market value of the net assets of the Company.

The Directors and the Manager may agree a higher fee subject to a maximum annual rate of 1%. If such a higher fee is agreed, shareholders will be given at least 90 days' written notice of any increase.

In consideration of its performance of the functions of Registrar, the Company has agreed that the Manager may charge a fee payable by the Company of £12.00 each annual and half yearly accounting period for each shareholding which appears on the Register on the last business day of each annual and half yearly accounting period and for each holding for which nominee facilities are provided on the last business day of each annual and half yearly accounting period. The Manager and the Company may agree a higher fee.

As Registrar, the Manager is entitled to reimbursement of certain expenses.

Custodian Fee

The Custodian is entitled to:

- a. an annual fee payable monthly by the Company, calculated on the following scale by reference to the NAV on a mid market basis subject to a minimum fee of £25,000;
- b. transaction charges at such rates as shall be agreed with the Manager from time to time; and
- c. reimbursement by the Company of its expenses in connection with its duties as Custodian.

Net Asset Value of the Company	Annual Fee
(1) Up to £100 million	0.04%
(2) In excess of £100 million and up to £150 million	£40,000
(3) In excess of £150 million and up to £200 million	£50,000
(4) In excess of £200 million and up to £250 million	£60,000
(5) In excess of £250 million and up to £300 million	£67,000
(6) In excess of £300 million and up to £350 million	£74,000
(7) In excess of £350 million and up to £400 million	£80,000
(8) Thereafter a further £5,000 for every additional £50 million increase in the net asset value of the Company.	

The Company and the Custodian may agree a higher fee subject to a maximum rate of 0.04% of the value of the property of the Company. Shareholders will be given 90 days' written notice of any increase. No notice will be given of any reduction of rates.

Directors' Fees

The Directors are entitled to such remuneration from the Company as is voted by the Company in General Meeting. Currently, Executive Directors do not receive any remuneration. In the case of Non-Executive Directors, this amount is currently £5,000 per annum.

The Company may also pay the Directors and any alternate Directors all the travelling, hotel and other expenses properly incurred by them in attending and returning from meetings of the Directors or any committee of the Directors or General Meetings of the Company or in connection with the business of the Company.

The Company, may grant special remuneration to any Director who, performs any special or extra services to or at the request of the Company. Such special remuneration is payable by the Company in such amounts as the Directors may determine from time to time.

Other Fees

The Company is also responsible for other expenses incurred in its operation.

Each Class is charged with costs and expenses specifically attributable to it. These costs and expenses include but are not limited to:

- costs of dealing in the property of the Company;
- interest on permitted borrowings and charges incurred in effecting or varying the terms of such borrowings;
- any costs incurred in respect of meetings of shareholders convened on a requisition by shareholders;
- any periodic charge payable to the Manager;
- any costs incurred in respect of the establishment and maintenance of the register;
- audit fees and any expenses of the auditor;
- costs incurred in respect of the distribution of income to shareholders;

- costs reasonably incurred in respect of the publication of Share prices and in the publication and distribution of this Prospectus, Annual and Interim Report and Accounts;
- legal and professional fees reasonably incurred in ascertaining the rights of shareholders other than the Manager or an associate of the Manager;
- costs and expenses in respect of the formation of the Company, and for obtaining a listing for Shares on the occasion of the initial offer gradually written off over a period not exceeding 10 years as stated in the Prospectus;
- costs and expenses in respect of obtaining a listing for Shares in the Company on a stock exchange on an occasion other than that of the initial offer, if agreed by shareholders;
- taxation and duties payable in respect of the property of the Company or the sale of Shares;
- any costs incurred in modifying the Articles, the Management and Custodian Agreements including costs incurred in respect of meetings convened for these purposes, which includes modifying the Articles, where the modification is:
 - i. necessary to implement a change in the law, or
 - ii. necessary as a direct consequence of any change in the law, or
 - iii. expedient having regard to any change in the law made by or under any fiscal enactment and which the Directors and the Custodian agree is in the interests of shareholders, or
 - iv. to remove obsolete provisions from the Articles;
- the fees of the Custodian;
- expenses or disbursements of the Custodian to which it is entitled under the Custodian Agreement which include, but are not limited to:
 - i. the fees, expenses and disbursements of any agent, legal or accountancy adviser, valuer, broker or other professional person;
 - ii. all stamp duty and other taxes or duties; all fees, expenses and disbursements incurred in relation to the safe custody, insurance, acquisition, holding or realisation or other dealing with the property of the Company;
 - iii. all expenses incurred in the collection and distribution of income;
 - iv. all other expenses and disbursements including telex, facsimile, and long distance telephone calls;
 - v. all such charges, expenses and disbursements as it is entitled to charge under the general law;
- costs incurred by the Company in making its annual return and in complying with other statutory requirements imposed on the Company;
- Directors' fees and expenses;
- fees chargeable to the Company by the Commission and by any other regulatory authority in any jurisdiction in which the Classes are registered for sale but excluding any such fees payable in respect of the Manager and Custodian;
- any safe custody charges reasonably incurred by the Custodian where the property of the Company is held outside Jersey;
- the remuneration and expenses of any representative appointed in another jurisdiction in compliance with the laws or other requirements of that jurisdiction;
- any amount payable under any provisions contained in the Articles or any agreement with a Functionary other than provisions protecting the Functionary from claims arising from its failure to exercise due care and diligence;
- legal and other professional fees incurred in any proceedings instituted or defended in accordance with written legal advice to enforce, protect, safeguard, defend or recover the rights or property of the Company.

The above mentioned fees and expenses are not subject to any maximum.

Other information

All fees and expenses are charged to income.

Shareholders should note that the application of fees and expenses to income may reduce income distributions paid to shareholders.

Other costs or taxes imposed by third parties may arise in connection with this product in addition to those described in this Prospectus. However, at the Date of this Prospectus, the Directors are not aware of any such costs.

Costs and expenses not attributable to a particular Class are allocated between Classes by the Directors after consulting the Custodian on a basis approved by the auditors, normally pro rata to the respective NAV of each Class.

The Manager may, where regulations permit and at its discretion, pay a commission to any authorised agent or intermediary who introduces investors to purchase shares. Such introductory commission will be paid by the Manager and will not be borne by the Company.

Taxation

General

The taxation of income and capital gains of the Company and shareholders is subject to the fiscal law and practice of Jersey, the jurisdictions in which the Company invests and the jurisdictions in which shareholders are resident or otherwise subject to tax.

The tax treatment depends on the individual circumstances of each prospective investor and shareholder. Prospective investors and shareholders should consult their own professional advisers on the implications of making an investment in, holding, exchanging or disposing of Shares and the receipt of distributions (whether or not on reinvestment and/or repurchase) with respect to such Shares under the laws of the jurisdiction in which they are liable to taxation.

Shareholders should be aware that the relevant fiscal rules and practice or their interpretation may change, possibly with retrospective effect.

Dividends, interest and other income as well as capital gains received by the Company may be subject to withholding or similar taxes imposed by the country in which such dividends, interest, other income or capital gains originate (although this is not expected to occur to any major extent). The Company will not normally be eligible to benefit from any treaties for the relief of double taxation.

It is the responsibility of the shareholder to account to the relevant tax authority for any tax due on any sums received or deemed to be received.

Information Exchange

Jersey has entered into a number of information exchange agreements with the authorities of other jurisdictions.

Shareholders should be aware that information on their investment may be shared with the relevant authorities, and may be passed to the tax authorities in their country of residence, citizenship or residence for tax purposes. For the avoidance of doubt this information may include (but not be limited to) details of shareholder names, addresses, unique identifiers (such as tax or national insurance numbers), amount of investment, redemption or sale proceeds and dividend payments.

Jersey Tax Considerations

The following summary of the anticipated tax treatment in Jersey is not intended to be comprehensive and does not constitute legal or tax advice.

The Company

The Company is liable to be charged to tax at a rate of 0% under Schedule D of the Income Tax Law in respect of (i) the income or profits of any trade carried on by the Company in Jersey or elsewhere, (ii) any interest of money, whether yearly or otherwise, or other annual payment paid to the Company, whether such payment is made within or out of Jersey, (iii) dividends and other distributions of a company regarded as resident in Jersey paid to the Company, (iv) income arising to the Company from securities out of Jersey and (v) any other income of the Company that is not derived from the ownership or disposal of land in Jersey. It is not expected that the Company will be in receipt of income charged to tax under any Schedule under the Income Tax Law other than Schedule D.

Shareholders

Dividends, which may be subject to tax in the hands of the investor, are currently paid gross. No deductions are made by way of Jersey withholding tax on repurchase of Shares.

Jersey does not currently levy taxes upon capital, inheritance, capital gains or gifts.

Shareholders resident in Jersey should be aware of the anti-avoidance provisions of Article 134A of the Income Tax Law, which may be invoked in circumstances where avoidance is deemed to have taken place.

No Stamp Duty is currently levied in Jersey on the lifetime transfer or repurchase of Shares. Recent Stamp Duty rates payable on death are set out in the section "Death of a Shareholder" on page 16.

Reports and Accounts

The Company's annual accounting date is the last Dealing Day of September. The interim accounting date is the last Dealing Day of March.

The Report and Accounts relating to the Company will be published within four months of the annual accounting date and within two months of the interim accounting date. These will be sent to shareholders together with statements of the value of their holdings.

The Custodian is required to report to the shareholders annually on the conduct of the Directors and the Manager in the management of the Company in each annual accounting period.

Copies of the latest Annual Report and Accounts (if any) and any subsequent Interim Report and Accounts are available from the Manager free of charge.

Copies of the Annual Report and Accounts for the five previous accounting years are also available on request from the Manager.

Meetings

Annual General Meetings of the Company will be held in Jersey within six months of the end of each annual accounting period.

The Directors are required to convene an Extraordinary General Meeting of the Company whenever required to do so by shareholders representing at least one-tenth of the Shares in issue, provided the requisition is signed by such shareholders, is dated, and states the matter or matters to be submitted for consideration at the meeting.

At General Meetings of the Company, any shareholder present in person (in the case of a company, its authorised representative) or by proxy may demand a poll.

Votes

Shareholders of each Class are entitled to receive notice of general meetings and to attend and vote. The Manager and other connected parties are not entitled to vote at meetings of shareholders, other than in their capacity as shareholders. Each shareholder is entitled on a show of hands to one vote, and on a poll to one vote for each Share held.

Shareholders can appoint another person to be their proxy to attend and vote on their behalf.

The Constitution of the Company

The Company was incorporated on 6 October 1978 with registered number 15516. The name of the Company was changed from TSB Gilt Fund Limited to Lloyds TSB Offshore Gilt Fund Limited on 29 December 1997 and, subsequently, to Lloyds Gilt Fund Limited on 23 September 2013. Its constitution is defined in the Memorandum and Articles of Association. It will exist until dissolved by special resolution of its shareholders, but all Shares if not previously redeemed will be redeemed by the Company on 30 September 2078, or if that date is not a Dealing Day on the next following Dealing Day.

Capital Structure

The authorised share capital of the Company is £7,500,000 divided into 1,000 Management Shares of £1 each and 749,900,000 unclassified shares of 1p each. The unclassified shares may be issued as Shares or Nominal Shares. The Shares may be issued as “A” Shares (Quarterly Class) or “B” Shares (Monthly Class).

As the Company is open-ended, the issued capital of the Company will fluctuate in accordance with the volume of Share purchases and redemptions.

Management Shares

Management Shares are required as a class of non-redeemable shares in issue in order that the Shares of the Company are redeemable. The Manager has subscribed for and been allotted all the Management Shares. The proceeds of subscription are employed in a Management Fund and the income of the Management Fund is paid to the Manager as a corporate fee.

The profit or loss on the realisation of any holdings purchased with the Management Fund is credited or debited (as appropriate) to a Management Reserve Account. The Management Shares on a poll carry one vote for each share held but do not carry any right to dividends.

Shares

The “A” Shares and the “B” Shares rank equally in all respects except that their entitlements to dividends and their respective interests in the net assets of the Company attributable to the holders of Shares for the purpose of establishing their dealing prices and rights on a winding up are determined by reference to a notional (but not vested) unit of participation (a “notional share”).

The notional shares of each Class are ascertained as follows. Each “B” Share issued always represents one notional share. The number (which may include a fraction) of notional shares attributable to each “A” Share varies. Until the first dividend on “B” Shares is declared there is one notional share attributable to each “A” Share. As from the date by reference to which a dividend is declared on the “B” Shares but not on the “A” Shares the number of notional shares represented by each “A” Share

in issue or deemed to be in issue is increased to such an extent that the dealing prices of the “A” Share remain unchanged. When a dividend is declared on the “A” Shares the number of notional shares represented by each “A” Share is reduced to reflect the dividend due to be paid.

A dividend is paid quarterly out of the profits available for distribution on the “A” Shares and a dividend is paid monthly on the “B” Shares.

Each shareholder is entitled, on a poll, to one vote for each Share held.

The dividend payable on each Class is not to exceed the proportion of the available profits which the notional shares attributable to the Class bear to the total number of notional shares.

If at any time the value of the net assets of the Company on a mid market basis shall, on each Dealing Day within a period of four consecutive weeks, be less than £5,000,000 the Company may by not less than three weeks written notice to shareholders given within eight weeks of the expiry of the four week period, redeem all the Shares then in issue at the relevant dealing price.

By special resolution of the shareholders of any Class, the Directors may, by giving not less than four and not more than six weeks’ written notice (expiring on a Dealing Day) given to all shareholders of that Class, redeem at the dealing price on such Dealing Day, all (but not some) of the Shares of that Class.

If all the Shares of any Class are to be redeemed in accordance with either of the above provisions, the Directors may with the sanction of a special resolution of the shareholders of that Class, divide amongst the said shareholders in specie all or any part of the assets of the Company.

If all the Shares of any Class are to be redeemed and the whole or part of the business or property of the Company attributable to the relevant Class or any of the assets of Company are to be transferred or sold to a Transferee, the Directors may, with the sanction of a special resolution of the shareholders of that Class receive in compensation or part compensation for the transfer or sale, shares, units, policies or other like interests or property in or of the Transferee. Such interests or property received will be distributed among the shareholders of that Class. Alternatively or in addition, the Directors may participate in the profits of or receive any other benefit from the Transferee.

Nominal Shares

The Nominal Shares are non-participating redeemable second preference shares. They can only be issued at par (i.e. at face value) and only for the purpose of providing funds for the redemption of the nominal amount of Shares. They will only be issued to the Manager. They carry no right to dividends. Each holder of Nominal Shares is entitled, on a poll, to one vote irrespective of the number of shares held.

The Manager is obliged to subscribe for Nominal Shares for cash at par when Shares are redeemed, unless the Directors decide that the nominal amount of such shares is to be redeemed out of profits. Nominal Shares may be converted into Shares by the Manager on payment by it of the difference between the nominal value and the current dealing price.

Their rights on a winding up of the Company are set out below.

Notifying Shareholders of Changes

The Directors are required to seek shareholder approval to, or notify shareholders of, various types of changes to the Company, which could include a change to the Company's investment objective and policy. The form of notification, and whether shareholder approval is required, depends upon the nature of the proposed change as explained below.

A fundamental change is one which:

- a. changes the purpose or nature of the Company; or
- b. materially changes the objective and/or policy of the Company; or
- c. may materially prejudice a shareholder; or
- d. alters the risk profile of a Class; or
- e. introduces any new type of payment out of the property of the Company; or
- f. amends the Articles.

For fundamental changes, the Directors must obtain shareholder approval, normally by way of an extraordinary resolution which needs 75% of the votes cast to be in favour if the resolution is to be passed, save for an amendment to the Articles which must be approved by way of a special resolution which needs 66⅔% of the votes cast to be in favour if the resolution is to be passed.

A significant change is one which:

- a. is not fundamental; or
- b. affects a shareholder's ability to exercise their rights in relation to their investment; or
- c. would reasonably be expected to cause the shareholder to reconsider their participation in the Company; or
- d. results in any increased payments out of the Company to the Manager or its associates; or
- e. materially increases payments of any other type out of the Company.

The Directors must give reasonable prior written notice which will be not less than sixty days for any significant change.

A notifiable change is a change or event of which a shareholder must be made aware but, although not considered by the Directors to be insignificant, it is not a fundamental change or a significant change. The Directors must inform shareholders in an appropriate manner and time scale of any such notifiable changes. This can be by the inclusion of a statement in the next Annual Report and Accounts or Interim Report and Accounts, as applicable, after the date of the change.

Contractual Relationship between the Shareholders, the Company and the Manager

The agreement (including the Application Form) between shareholders, the Company and the Manager for the acquisition of Shares offered under this Prospectus is governed by Jersey law and by purchasing Shares, the shareholders agree that the courts of Jersey have exclusive jurisdiction to settle any disputes. All communications in connection with the purchase of Shares will be in English.

Winding-up

The Company can be wound up at any time by special resolution in accordance with the provisions of the Companies Law. In addition, unless the Commission determines otherwise, in any of the following circumstances the Company must cease the issue and redemption of Shares, the Manager must cease the sale and repurchase of Shares in the Company, and the Directors must convene a special meeting of the Company to consider a special resolution to wind-up the Company no later than one month after the occurrence of any of the following:

- a. the cancellation of the Company's recognized fund certificate;
- b. the determination of the Commission to cancel the Company's recognized fund certificate at the request of the Company or the Custodian.

The procedure to be followed on a winding-up of the Company will be that set out from time to time by the Companies Law and the Order.

If the Company is wound up or dissolved, the assets available for distribution among the shareholders will be applied in the following priority:

- i. firstly, in repayment equally to the shareholders of the nominal amount paid up thereon;
- ii. secondly, in repayment equally to the holders of Nominal Shares (if any) of the nominal amount paid up thereon;
- iii. thirdly, in repayment to the holders of the Management Shares of the nominal amount paid up on these shares held by them adjusted by either adding thereto or deducting therefrom (as applicable) the surplus standing to the credit of or the deficit in the Management Reserve Account;

-
- iv. finally, any surplus of assets then remaining shall be allocated between the holders of "A" Shares and "B" Shares respectively according to the aggregate notional shares attributable to each such Class in issue and the surplus so allocated to the holders of "A" Shares shall be distributed amongst them in proportion to their holdings of "A" Shares and the surplus so allocated to the holders of "B" Shares shall be distributed amongst them in proportion to their holdings of "B" Shares.

The liquidator may, if authorised by special resolution, divide assets in specie amongst shareholders.

Variation of Capital and Rights

1. The Company may by special resolution from time to time increase, reduce, consolidate and subdivide its share capital in any way.
 2. All or any of the special rights for the time being attached to any class of Shares for the time being issued may from time to time be altered or repealed with the consent in writing of the shareholders of not less than two-thirds of the issued Shares of that class, or with the sanction of a special resolution passed at a separate class meeting of such shareholders. At such a meeting every shareholder of the class shall be entitled, on a poll, to one vote for every such Share held by them. The necessary quorum (minimum number) at any such meeting is two persons at least holding or representing by proxy not less than one-third of the issued Shares of that class, except that if at any adjourned meeting such a quorum is not present, the shareholders who are present shall be a quorum.
 3. The rights attached to each class of Shares shall be deemed to be varied by the creation or issue of any share (other than Shares of any class, whether now in existence or hereinafter created) ranking equally with or in priority to them as regards participation in the profits or assets of the Company.
 4. The special rights attached to any class of shares having preferential rights will, unless otherwise expressly provided by the conditions of issue of such shares, be deemed not to be varied by:
 - a. The creation, allotment or issue of further shares which rank equally; or
 - b. the creation, allotment or issue of Management Shares; or
 - c. the creation of Unclassified Shares; or
 - d. the allotment, issue or redemption of Shares of any Class; or
 - e. the exchange of Shares of any Class into Shares of another Class; or
 - f. the allotment, issue or redemption of Nominal Shares; or
 - g. the conversion of Nominal Shares into Shares; or
- h. the exchange or conversion of Shares of one Class to those of another Class pursuant to the Articles.

Directors

1. The business of the Company will be managed by the Directors who may exercise all such powers as are not required by the Companies Law or the Order to be exercisable by the Custodian, the Manager, or the Company in General Meeting, subject to any provisions contained in the Articles, the Companies Law, the Order, or prescribed by the Company in General Meeting.
2. The Directors can exercise all the powers of the Company and entrust or confer any of these on the Manager.
3. Any Director may hold any other office or place of profit under the Company (other than the office of auditor) in conjunction with their office of Director on such terms as to tenure of office and otherwise as the Directors may determine. Any Director can also act in a professional capacity (other than as auditor) and they or their firm shall be entitled to remuneration for such services as if they were not a Director.
4. The Directors can at any time appoint any person to be a Director, either to fill a casual vacancy or as an addition to the existing Directors. Any Director so appointed will hold office only until the next following Annual General meeting and will then be eligible for re-election.
5. A Director can be removed from office by an ordinary resolution of the Company in General Meeting; and in certain other specific circumstances detailed in the Articles.
6. A Director may not normally vote in respect of any contract in which they are materially interested, but will not be disqualified by their office from contracting with the Company. A Director is not counted in the quorum of any meeting in relation to a resolution on which they are not permitted to vote.
7. There is no share qualification for Directors.
8. There are no provisions requiring a Director to retire at a specific age.
9. Each Director can appoint any person as their alternate to attend meetings at which they are unable to be present.

Liability of Directors and Officers of the Company

In so far as the Law permits, every Director and other officer of the Company is entitled to be protected by the Company for any liability incurred by reason of being an officer of the Company in respect of costs of defending proceedings, or to third parties where they acted in good faith with a view to the best interests of the Company, or otherwise where relief is granted by the Court.

The Directors are entitled to arrange insurance cover in the name of and at the expense of the Company for the benefit of the officers, the secretary and agents, servants or employees of the Company against liability incurred by them holding such office or appointment.

Conflicts of Interest

The Order contains detailed provisions relating, amongst others, to the powers and duties of the Manager and Custodian, the removal of the Manager, the cancellation of the Company's recognized fund certificate, and the dealing as principal with the property of the Company by the Manager, the Custodian, the Investment Manager or any associate of any of them.

The Manager has established and implemented a conflicts policy which may be revised and updated from time to time. The conflicts policy sets out how the Manager must seek to identify and manage all material conflicts of interest. Such conflicts of interest can occur in day to day business activities.

Depending on the exact nature of the conflict of interest involved, the Manager can take certain actions in accordance with the conflicts policy to mitigate the potential impact of the conflict. Such actions may include putting in place controls between the opposing sides of the conflict, which may control or prevent the exchange of information, and/or involve the appropriate management of staff activities and segregation of duties. Where such controls would be insufficient to eliminate the potential material risk of damage to shareholders from specific conflicts, the Manager will disclose the general nature and/or source of those conflicts of interest prior to undertaking the relevant business.

In addition, conflicts of interest may arise as a result of the delegation of the portfolio management role to the Investment Manager if, for example, the Investment Manager provides management, advisory or other services to other funds or investment products. The Investment Manager, as an entity authorised by the Financial Conduct Authority in the UK, has a conflicts of interest policy in place to deal with such conflicts.

Recognition and Enforcement of Judgments

If any final and conclusive judgment under which a sum of money is payable (that is not in respect of taxes or similar charges, a fine or a penalty) were obtained in a Reciprocal Enforcement Court against the Company, that judgment would be recognised in accordance with any applicable reciprocal enforcement provisions and enforced in Jersey without reconsidering its merits.

A judgment of a foreign court other than a Reciprocal Enforcement Court is not directly enforceable in Jersey. The Jersey courts can, however, recognise and enforce, without reconsidering the merits, an in personam judgment (that is, a judgment enforceable specifically against a person) for a liquidated sum of money (not being in respect of taxes or similar charges, a fine or a penalty) that is final and conclusive given against the Company on the merits by a court in such foreign jurisdiction (having jurisdiction according to Jersey rules

of private international law), provided that: (a) such judgment is not for exemplary, multiple or punitive damages and is obtained without fraud, in accordance with the principles of natural justice and is not contrary to public policy and; (b) the enforcement proceedings in the Jersey courts are duly served.

Material Contracts

The following contracts which are or may be material have been entered into:

- i. Management Agreement dated 12 January 1990 (including any subsequent variations) between the Company, the Manager and the Custodian, in their former names where applicable, whereby the Manager agreed to manage the business of the Company. The Management Agreement may be terminated on not less than one month's notice in writing given to the Manager or by not less than 90 days' notice in writing given by the Manager to the Company.
- ii. Investment Management Agreement dated 18 October 1999 (including any subsequent variations) between the Company, the Manager and the Investment Manager, in their former names where applicable, whereby investment management is provided by the Investment Manager. The Investment Management Agreement may be terminated, on notice in writing given by the Company or the Manager to the Investment Manager or by not less than 90 days' notice in writing given by the Investment Manager to the Company and the Manager.
- iii. Custodian Agreement dated 29 January 2016 (including any subsequent variations) between the Company, the Manager and the Custodian, pursuant to which the Custodian is appointed to act as custodian of the Company's assets. The Custodian Agreement may be terminated, on six months' prior written notice by any party to the agreement.
- iv. Registrar Agreement dated 7 December 1988 (including any subsequent variations) between the Company, the Custodian and the Manager, in their former names where applicable, whereby the Manager acts as registrar to the Company. The Registrar Agreement may be terminated on six months' notice given by either the Company or the Custodian to the other parties.
- v. Secretarial Agreement dated 24 February 1998 (including any subsequent variations) between the Company and the Company Secretary, in their former names where applicable, whereby the latter was appointed as Secretary to the Company.
- vi. Paying Agency Agreement dated 1 July 2011 (including any subsequent variations) between the Company, the Paying Agent, the Manager and the Custodian, in their former names where applicable, whereby the Manager appointed the Paying Agent to provide paying agency facilities to the Company. The Paying Agency Agreement may be terminated by three months' written notice given by any party to the agreement.

vii. Novation Agreement dated 8 November 1999 between the Company, Lloyds TSB Fund Managers (Channel Islands) Limited (the “Original Manager”), the Custodian, the Investment Manager and the Manager, in their former names where applicable, whereby the Manager replaced the Original Manager under the Management Agreement, the Investment Management Agreement, the Custodian Agreement and the Registrars Agreement.

All the above agreements contain provisions protecting and exempting the respective functionaries from liability for any loss or damage suffered by the Company which may arise in the execution by the functionaries of their duties other than from failure to exercise due care and diligence.

Treating Customers Fairly

The Manager is not authorised or regulated by the Financial Conduct Authority in the UK. However, it has adopted the Financial Conduct Authority’s principle of treating customers fairly when dealing with shareholders of the Company.

It is the intention of both the Manager and the Company not to display or give any preference to any shareholder when carrying out their services, where such a preference would cause an overall material disadvantage to other shareholders of the Company.

In the event that one or more shareholder(s) obtain preferential treatment or the right to obtain preferential treatment, a description of such preferential treatment, the type of shareholder(s) who obtain such preferential treatment and, where relevant, their legal or economic links with the Company or the Manager shall be disclosed to shareholders.

Complaints Procedures

Complaints should be addressed to the Manager who will investigate all complaints. A leaflet entitled “How to Complain” is available from the Manager or on application in writing from PO Box 160, 25 New Street, St. Helier, Jersey JE4 8RG. If the complainant is not happy with the Manager’s response they have the right to refer the complaint to the Channel Islands Financial Ombudsman, PO Box 114, Jersey, Channel Islands JE4 9QG.

www.ci.fo.org

General

1. No commissions, discounts, brokerage or other special terms have been granted by the Company in relation to shares or debentures issued or to be issued by the Company. However, on any issue or sale of Shares the Manager may, out of its own funds, pay commission on applications received through brokers and other professional agents. Any commission due other than trail commission will normally be paid within one month of the Shares being entered onto the register of shareholders subject to the completion of any necessary documentation.

2. As at the Date of this Prospectus, the Company is not engaged in any litigation or arbitration and no litigation or claim of material importance is known to the Directors to be pending or threatened against the Company.

3. There are no existing or proposed service contracts between any of the Directors and the Company but the Directors may receive remuneration as provided in the Articles.

4. The company has no employees.

5. Timothy Joseph Herbert was a Partner of Mourant Ozannes, the legal advisers in Jersey to the Company and to the Manager from 1987 to 2012. In July 2012 he stepped down from the partnership and is now retained by Mourant Ozannes as a consultant to the firm. Mourant Ozannes receive fees in connection with advising the Company and the Manager.

6. Other than as disclosed in paragraph (10.) below, no Director has had any interest in the promotion or, since the date of incorporation of the Company, in any assets acquired, disposed of or leased to or by or proposed to be acquired, disposed of or leased to or by the Company and no Director has a material interest in any contract or arrangement entered into by the Company which is significant in relation to the business of the Company.

7. Other than for investments acquired in the course of its ordinary business, the Company has not purchased or acquired or agreed to purchase or acquire any property.

8. The Company does not provide loans or guarantees to any Director or to directors of the Manager or any other party.

9. The Company does not have any subsidiaries.

10. The significant business activities (if any) of the Directors of the Company are as follows:

Ian Mark Jeremie Hardy – Senior Manager, International Products, Customer Products & Marketing, Lloyds Banking Group.

Timothy Joseph Herbert – Consultant, Mourant Ozannes, Jersey.

Brian Charles James – Head of Investment Operations – Jersey, Retail, Lloyds Banking Group.

Bronislaw Lysiak, Senior Manager – Intermediary Sales, Expatriate Banking, Lloyds Banking Group.

Ross Davey Willcox – Head of International Products, Customer Products & Marketing, Lloyds Banking Group.

-
11. The Directors of the Manager are as follows. Their significant business activities, not connected with the business of the Manager, and not shown in paragraph (10.) above are:
- Timothy John Cooke – Islands Director and Chairman, Lloyds Bank International Limited, Lloyds Banking Group.
- Ian Mark Jeremie Hardy
- Adrian Hick – Head of Regulated Managers, Wealth, Expatriate Banking, Lloyds Banking Group.
- Brian Charles James
- Ross Davey Willcox
- Adrian David Lane – Head of Finance, Wealth, Lloyds Banking Group.
- Richard John Musty – Expatriate Banking Director Wealth & MA, Lloyds Banking Group.
12. The Manager is not liable for any loss or damage, direct or indirect, caused by:
- Any breach of confidentiality (unless caused by the Manager) resulting directly or indirectly from the actions of a shareholder;
 - The unavailability of any services;
 - Delays, interruptions or errors in transmission of monies or documents not directly arising as a result of a failure on the Manager's part; or
 - Other circumstances beyond the Manager's reasonable control.
13. The Manager's most recent Annual Report and Accounts and any subsequent Interim Report and Accounts are available on request from the Manager.
14. Copies of the Memorandum and Articles of Association of the Company, the Companies Law, the Collective Investment Funds (Jersey) Law, 1988, as amended, and subordinate legislation made thereunder, the material contracts and any fund rules can be inspected free of charge and copies of them obtained at a reasonable charge during usual business hours on any weekday (Saturdays, Sundays and public holidays excepted) in Jersey from the offices of the Manager, Lloyds Investment Fund Managers Limited, PO Box 311, 11-12 Esplanade, St. Helier, Jersey, Channel Islands JE4 8ZU. Copies of this Prospectus, the most recent Annual Report and any subsequent Interim Report of the Company are available, free of charge, from the Manager.

Application Form

Lloyds Gilt Fund Limited is a company incorporated in Jersey with limited liability under the Companies (Jersey) Law, 1991.

This application is to buy participating shares of the classes shown below in Lloyds Gilt Fund Limited.

Please write clearly, in the white spaces with capital letters or a mark where indicated (☒).

Your application may be delayed if any of the information we need is missing. The Manager may reject any application at its sole discretion.

Institutions and companies should request a Corporate Application Form from the Manager

Declarations and Signatures

I/We hereby declare that:

1. I/We accept that this application is made on the basis of the current or any subsequent Prospectus of the Company, a copy of which has been offered to me/us and is subject to the terms of the Memorandum and Articles of Association of the Company.
2. I/We agree to purchase Shares to the value of the total amount(s) shown in Section 3 of this application form.
3. I/We have received and read the relevant Key Investor Information Document(s) ("KIID(s)") and that I/we will read and review the most up-to-date version of the KIID(s) prior to making any subsequent investment in the Company.
4. A copy of the latest available Report and Accounts has been offered to me/us.
5. I am/We are over eighteen years of age.
6. The Shares are NOT being acquired directly or indirectly by a person resident in the United States of America.
7. The Shares are NOT being acquired directly or indirectly by a person in violation of any law applicable to the sale of Shares to such a person.
8. I/We acknowledge that investment in the Company is not a deposit with or other liability of any of the companies in the Lloyds Banking Group and is subject to investment risk including delays in repayment, potential loss of income and capital invested.
9. I/We acknowledge that this contract is with Lloyds Investment Fund Managers Limited for investment in the Company and is subject to the law of Jersey.
10. This contract is in English and I/we agree that you may continue to communicate with me/us in English once this contract is made.
11. The details provided by me/us are correct.

In the case of joint accounts:

We acknowledge that all instructions and/or amendments to our details must be authorised by all shareholders and, where necessary, suitably validated with the exception of payment instructions where a nominated bank account, previously authorised by all shareholders, has been provided to the Manager.

On the death of the first of us the balance of our shareholding passes to the survivor(s) of us and we authorise you to accept the instructions of any such survivor(s) concerning the shareholding.

All joint Applicants must sign in the order of Section 1 of this application form.

Banks and Building Societies may not accept Direct Debit Instructions for some types of account

The Direct Debit Guarantee

- This Guarantee is offered by all banks and building societies that accept instructions to pay Direct Debits.
- If there are any changes to the amount, date or frequency of your Direct Debit, Lloyds Investment Fund Managers Limited will notify you 30 working days in advance of your account being debited or as otherwise agreed. If you request Lloyds Investment Fund Managers Limited to collect a payment, confirmation of the amount and date will be given to you at the time of the request.
- If an error is made in the payment of your Direct Debit, by Lloyds Investment Fund Managers Limited or your bank or building society, you are entitled to a full and immediate refund paid from your bank or building society.
 - If you receive a refund you are not entitled to, you must pay it back when Lloyds Investment Fund Managers Limited asks you to.
- You can cancel a Direct Debit at any time by writing to your bank or building society. Written confirmation may be required. Please also notify us.
