LLOYDS BANK

Issued by Lloyds Bank plc.

GROSS RATE – The contractual rate of interest payable before deduction of income tax at the rate specified by law.

AER RATE – AER stands for Annual Equivalent Rate and illustrates what the interest rate would be if interest was paid and compounded once each year.

EAR – EAR stands for Equivalent Annual Rate. The EAR does not take into account any additional charges (e.g. monthly fees) which may be applicable.

As every advert for a savings product will contain an AER you can compare more easily what return you can expect from your savings over time.
