Your guide to our charges

This guide tells you everything you need to know about the fees and charges that apply to your account. It also tells you by what time we need to receive your instructions if you want us to make different types of payments on your behalf. You might find it helpful to keep this guide with your bank statements and use it to plan ahead and avoid unnecessary charges.

Unless you pay a monthly fee for an account with added benefits, we won't normally charge you for everyday banking – providing your account is in credit. There are some times, like using a Planned Overdraft or your cards abroad where there may be charges. This guide will tell you exactly what charges apply, how they work and when they may be applied.

If you want to use a service we haven't covered here, we'll always let you know before you are charged. If we make any changes to our fees that are to your disadvantage, we'll let you know what our new charges are. You can check our up-to-date charges at lloydsbank.com/international

When charges are applied

Different fees are taken from your account at different times. For example, regular fees like monthly account fees will come out of your account at the end of your monthly billing period. This is usually from the 10th of each month to the 9th of the next month, but it can vary. If you'd like to check what your monthly billing period is please just ask us in branch, or call us on **+44 (0) 20 7839 2099**.

There are some charges that are made at the time we provide you with the service. Other charges, such as overdraft interest or Unplanned Overdraft fees, are worked out at the end of the monthly billing period and we'll always let you know the amount before they are taken from your account.

If you change an account or service that has a regular fee attached to it part way through your billing period, you'll only pay for the time you've actually had it.

Account charges

To check what type of account you have please see your statement, or call us on **+44 (0) 20 7839 2099**.

Interest rates

You can find details of your interest rate by calling **+44 (0) 20 7839 2099** and requesting WWS Interest Rates (OB656A). Alternatively you can visit lloydsbank.com/international

If in the future we need to make any changes to your account's interest rates and charges that are to your disadvantage we will write to you telling you of the changes at least two months in advance.

If we change our interest rates in your favour we will make the change and tell you afterwards by writing to you or publishing it in newspapers, branches, on our website or through International PhoneBank.

Borrowing from us*

An overdraft is where as part of our overall service, we are willing to lend you money through your account with us. We provide two types of overdraft: a Planned Overdraft and an Unplanned Overdraft.

If you decide you need an overdraft you can ask us in advance for a Planned Overdraft. You can also ask us to increase an existing Planned Overdraft limit at any time. You must be 18 or older to have an overdraft.

How much we lend you depends on our assessment of your personal circumstances. Lloyds Bank is a responsible lender and we only want you to borrow what you can afford and in a way that is best for you.

If you try to make a payment but do not have enough available money in your account, we will treat this as a request for an Unplanned

Overdraft to cover that payment. We will either agree to your request or you will not be able to make that payment. Fees will normally be charged in either case. Please see your account Terms and Conditions for more details about overdrafts and available funds.

You will also normally be charged interest if you use a Planned or Unplanned Overdraft. All overdrafts are repayable on demand.

* Please note the information in this section applies to customers with sterling accounts only. Please contact us if you have a Euro or US dollar account.

Overdraft buffer

If you go into a Planned or Unplanned Overdraft we provide a £10 buffer, which means there'll be no additional overdraft fees to pay if you remain within this buffer: however, you will be charged debit interest.

If you have a WWS Executive Gold Account, and you have a Planned Overdraft, we will not charge you any Unplanned Overdraft Fees if you slip over your Planned Overdraft limit by up to £20.

Returned items

Where you do not have enough available money to make a payment and we do not agree to give you or extend an Unplanned Overdraft, you will not be able to make that payment. We will write to tell you we have declined your request. We will charge you the following fee:

RETURNED ITEM FEE

£10 for each item. We will charge you up to a maximum of three Returned Item Fees a day. This fee will not be charged if the amount of the payment that we decline is £10 or less.

Interest payable on overdrafts

The same rate of interest is currently payable for both Planned Overdrafts and Unplanned Overdrafts. The rate you pay will depend on the type of account you have. For details of our interests rates call **+44 (0) 20 7839 2099** or visit lloydsbank.com/international

Avoiding overdraft charges

If your account goes over its limit, you'll have until 2.30pm (UK time) to pay money into your account to avoid Returned Item Fees and ensure the payment goes out, but you have until midnight to avoid overdraft fees and interest.

The money that you pay in must be available to use immediately. For example, by paying in cash at any branch or transferring money from another personal account you hold with us using Internet Banking or International PhoneBank.

You can stay in touch by checking your balance on a daily basis:

- **At any Lloyds Bank branch**
- **At any Cashpoint®**
- Through International PhoneBank on **03457 449900** (from UK, Channel Islands or Isle of Man) or **+44 (0) 1539 736626** (from rest of World)
- Online at lloydsbank.com/international

Cashpoint® and debit card charges (continued)

Service

Charges

When you withdraw cash in a currency other than sterling (whether at a cash machine or over the counter)

Using your Lloyds Bank debit or Cashpoint® card

When you withdraw cash in a currency other than sterling (whether at a cash machine or over the counter) the amount is converted to sterling on the day it is processed by Visa using the Visa Payment Scheme exchange rate. We will charge a non-sterling transaction fee of 2.99% of the value of the withdrawal and we will also charge a non-sterling cash fee of £1.50. Where you elect to allow the cash machine operator/ financial service provider to make the conversion to sterling we will charge a foreign cash fee of £1.50 for each withdrawal. The provider of the foreign currency may make a separate charge for conversion.

When you use your debit card to make a purchase or other transaction (not cash withdrawal, foreign currency or travellers cheque purchase) in a currency other than sterling whether you are in the UK, Channel Islands, Isle of Man or abroad

Using your Lloyds Bank debit card

The amount is converted to sterling on the day it is processed by Visa using the Visa Payment Scheme exchange rate. We will charge a non-sterling transaction fee of 2.99% of the value of transaction. We will also charge a non-sterling purchase fee of £0.50 for each transaction: this charge is waived for WWS Executive Gold customers.

International Drafts payable abroad	£15 (plus registration fee if posted)
Electronic payments received from abroad	Free

* When making an International Payment there are two charging methods:

Split Charges: Recipient and Correspondent banks abroad may charge a fee for receiving payments which will be paid by the recipient if you choose to share charges.

Pay all Charges: A Correspondent Bank Fee will be payable for international payments where you choose to pay the charges for the recipient, if you are permitted to do so based upon the destination of the payment and the type of account that you hold. The Correspondent Bank Fee replaces all correspondent bank charges. The recipient bank may still charge its customer a fee but we cannot provide information about such a fee. The amount of the Correspondent Bank Fee depends on the location of the recipient bank.

** There may also be adverse exchange rate movement.
